

# Too Late to Pray

Watch therefore, for ye know neither the day nor the hour wherein the Son of man cometh. Mt. 25:13

1. Dear friends, the time is draw - ing near When life shall pass a - way—  
2. 'Twill be too late when Je - sus comes On that great judg - ment day,  
3. You have no prom - ise of your life, But death is on his way;  
4. We pray you now to heav - en start, Let Je - sus lead your way;

'Tis then too late for heav'n to start, 'Twill be too late to pray.  
To call His saints to their re - ward; 'Twill be too late to pray.  
How sad 'twill be when Je - sus says, Too late, too late to pray.  
Don't wait 'til death is on your brow— 'Tis then too late to pray.

*Refrain*

Too late, too late, 'Twill be too late to pray;

Too late, too late, When life has passed a - way.
