

Drifting Away from Jesus

*...Holding faith, and a good conscience;
which some having put away concerning faith have made shipwreck. 1 Tim. 1:19*

Slow and soft

1. Drift - ing a - way from Je - sus, Far from His gen - tle fold,
2. Drift - ing a - way from Je - sus, Day af - ter day I glide,
3. Drift - ing a - way from Je - sus, Help - less, and tossed with care;
4. Drift - ing a - way from Je - sus, Far from His courts of love,

Wrecked on the waves of sor - row, Out in the night so cold.
Swift - ly the bil - lows bear me O - ver the surg - ing tide.
Soon I shall land for - ev - er Some - where, I know not where.
Oh, do you see! A life - boat Sails from the ports a - bove!

Refrain

1-3— Oh, am I lost for - ev - er? Lost a - mid fiend - ish din?
4— O - ver the bound - ing bil - lows, Je - sus, my Sav - ior, sends

Oh, can there be no life - boat On the dark o - cean of sin?
Help to my storm - tossed spir - it; Praise to the Friend of friends!
