

I Know Not

He knoweth the way that I take: when he hath tried me, I shall come forth as gold. Job 23:10

1. I know not what li - eth be - fore me, What shad - ows may fall on my way,
2. I know not what sor - rows may en - ter My life, or what griefs may be mine,
3. I know not what bur - dens will bow me, Ere du - ty and la - bor are past,

But I'm sure that my Lord watch - es o - ver me, And bright - ens each hour of the day.
But I'm sure that my Lord will be with me, and His mer - cy a - bout me will shine.
But I'm sure that my Lord, if I faith - ful prove, Will know me in heav - en at last.
(1) And bright - ens each hour of the day.
