

I Love the Church of God

I prefer... Jerusalem above my chief joy. Psa. 137:6

He that sanctifieth and they who are sanctified are all of one: for which cause he is not ashamed to call them brethren. Heb. 2:11

1. I love the church of God, Struc-ture di - vine, Struc-ture di - vine; Her chil - dren all of one,
2. I love the church of God; Her clos - ed door, Her clos - ed door, Held by that pierc - ed hand,
3. I love the church of God; Her gates of praise, Her gates of praise Re - ech - o far and near
4. I love the church of God, Beau - ti - ful bride, Beau - ti - ful bride: Fine lin - en, pure and clean,
5. I love the church of God, Ref - uge se - cure, Ref - uge se - cure: When storms and thun - ders loud
6. I love the church of God; Her courts of love, Her courts of love Suc - cor the faint - ing heart,

Through the a - noint - ed Son, Here and a - round the throne, Pure and sub - lime.
O - pens at His com - mand, Wel - comes the con - trite friend, Wealth - y or poor.
Strains of an - gel - ic cheer, Mark each pro - phet - ic year, Num - ber the days.
No spot on her is seen; Low by her pas - tures green Still wa - ters glide.
Break from the threat - 'ning cloud, An - guish the world en - shroud, She will en - dure.
Strength to the weak im - part; Per - fect in eve - ry part, Here and a - bove.
