1. There are some rays of hope di - vine, To cheer the dark - est heart;
2. De - spon - dent soul, can you not see Hope gleam - ing from a - bove?
3. Though shame and guilt op - press thy soul, Thy heart as ad - a - mant,
4. Thy life of sin now weighs thee down, And death and hell are near;

A - round the cross they ev - er shine, Where life a - new may start.
Oh, look once more to Cal - va - ry, And know that God is love.
Yet Je - sus will thy name en - roll, If thou wilt but re - pent.
But heav - en wills thee yet a crown, And an - gels want thee there.

Refrain

Heav - en is free, heav - en is free, Sin - ner, be - lieve, in heav - en you may shine;
Heav - en is free for thee, heav - en is free for thee,

Come and be free, come and be free; Won - der - ful love, that heav - en may be thine.
Come and be free, be free, come and be free, be free,
