

# Saving Grace

...To the praise of the glory of his grace, wherein he hath made us accepted in the beloved. Eph. 1:6

1. When I shall see my Lord and King, And with the saints His glo - ry sing,  
2. He found me help - less and a - lone, He claimed the lost one as His own,  
3. Since then the years have fled a - way, But Christ is still my hope and stay;  
4. Some - day I'll join the an - gel throng, And raise with them the tri - umph song;

When I be - hold Him face to face, I'll praise His name for sav - ing grace.  
He made my heart His dwell - ing place, And glad - dened me with sav - ing grace.  
And when at last I've run my race, I'll praise His name for sav - ing grace.  
At Je - sus' feet I'll take my place, And praise His name for sav - ing grace.

## Refrain

O won - drous grace! the grace that saves; 'Twas grace that res - cued me;  
won - drous grace! the grace that saves;

My Sav - ior died, the Cru - ci - fied, That I re - deemed might be.  
He died, that I might be.
