

The More I Learn About Jesus

*We beseech you, brethren, and exhort you by the Lord Jesus,
that as ye have received of us how ye ought to walk and to please God, so ye would abound more and more.* 1 Th. 4:1

1. The more I learn a - bout Je - sus, The more I know He loves me;
2. I long for great - er com - pas - sion, I would more sym - pa - thy show,
3. The more with Him in com - mun - ion, The near - er heav - en I rise;

His love is great - er and strong - er Than hu - man love can be.
And be more ten - der and ho - ly, More of His full - ness know.
And sweet - er far is our un - ion Than an - y hu - man ties.

The more I live in His pres - ence, The more His true - ness ap - pears,
I would be gen - tle and low - ly, Dis - play His love so di - vine,
I thirst for more of His Spir - it, His will to work in my soul:

The more I'm learn - ing to trust Him, Through all the chang - ing years.
And have sub - mis - sion and meek - ness, And more of His life in mine.
I want to be in His im - age, While cease - less ag - es roll.
