3. Lord, give us true warmth and af - fec - tion; When one fails, help us res - cue his soul;  
4. Dear saints, let us vow to each oth - er, "I will help, I will com - fort and pray;

God's peo - ple face dai - ly this strug - gle; On - ly love will keep us free.  
Be - come self - ish and strive with each oth - er; Love and kind - ness has quick - ly grown cold.  
"He's not heav - y, for he is my broth - er," Let us cry as we car - ry his load.  
I will stand by your side and de - fend you In this bat - tle you're fac - ing to - day."
