

Weeping Jesus

*He is despised and rejected of men; a man of sorrows, and acquainted with grief. Isa. 53:3
Who in the days of his flesh... offered up prayers and supplications with strong crying and tears. Heb. 5:7*

1. Weep - ing Je - sus, suf - fring One, Whose tears and sor - rows we may trace;
2. Weep - ing Je - sus, roy - al King, And yet an hum - ble sac - ri - fice;
3. Weep - ing Je - sus, oh, what love Was shown through Thee to men in sin!
4. Weep - ing Je - sus, more each day I would be filled with on - ly Thee;

In the Book of God's dear Son, We see His marred yet smil - ing face.
Thou didst give Thy life to pay For us the great re - demp - tion price.
Is the hu - man heart too hard For this great love to melt and win?
Grace my heart and life, I pray, With meek - ness that the world may see.

Refrain

Weep - ing Je - sus, Weep - ing Je - sus— died for me.
